

Raghad Alahmadi

Al Madinah Al Munawwarah, SA • raghadd.adnan@gmail.com • + (966) 549 504 595

PROFILE

Motivated and detail-oriented Computer Science graduate with First Class Honors. Proficient in developing scalable web applications, managing network infrastructure, and implementing advanced AI and computer vision algorithms. Adept in both front-end and back-end technologies, with a focus on team collaboration and delivering impactful projects. Passionate about contributing to innovative solutions in dynamic development environments.

EDUCATION

Bachelor of Science in Computer Science (First Class Honors)

June 2024

Taibah University, Al Madinah Al Munawwarah, SA

GPA: 4.84/5.0

Game Development Bootcamp

Aug 2024 – Nov 2024

Saudi Digital Academy

- Mastered skills in game development, level design, and Unreal Engine 5.
- Specialized in puzzle design, 3D modeling, and creating interactive game environments.

The Advanced Pathways in Artificial Intelligence Bootcamp

Nov 2024 – Nov 2024

Saudi Data and AI Authority (SDAIA)

- Gained hands-on experience in deep learning, including model training and optimization.

SKILLS

- **Programming Languages:** Java, Python, JavaScript, C++, C#, PHP, Assembly
- **Front-End Development:** HTML, CSS, React, Node.js, Tailwind CSS, Bootstrap
- **Backend Development:** Flask, Node.js, ASP.NET MVC, Express.js, RESTful APIs
- **Database Management:** MySQL, SQL, Microsoft SQL Server, MongoDB, Firebase
- **Cloud Platforms:** Azure, AWS, Docker
- **Tools:** Git, GitHub, Postman, Netlify, Socket.io
- **Networking Concepts:** TCP/IP, DNS, DHCP, Network Security
- **AI & Machine Learning:** TensorFlow, Keras, PyTorch, OpenCV
- **Productivity Tools:** Microsoft Word, Excel, PowerPoint

CERTIFICATIONS

- IBM Full Stack Software Developer – **IBM**
- Deep Learning – **DeepLearning.AI**
- Exploratory Data Analysis for Machine Learning - **IBM**
- Terraform Fundamentals - **Google Cloud**
- Programming with JavaScript - **Meta**
- Foundations of User Experience (UX) Design - **Google**
- Networking in Google Cloud: Defining and Implementing Networks - **Google Cloud**

LANGUAGES

Arabic, English
